

## TRUSTING GOD'S PLAN, PURPOSE, AND DESIGN

*"I Give You" Genesis 1:28-31*

From Sunday's message on April 14, 2024

How does the Bible point out that God gives meaning and purpose to life? What does Ephesians 2:1-10 and 1 Corinthians 15:50-58 say about God's meaning and purpose for me?

Why am I grateful that God has provided the way for me to have a personal relationship with Him? How does David communicate that in Psalm 23?

In what ways have I seen God provide in my life? Why is Matthew 6:25-34 an encouragement to me as I think about my needs and God's provision?

Genesis 22:14 is the first place in the Bible that refers to God as "Jehovah Jireh" (God provides). What does Genesis 22:1-19 tell me about God?

What does Revelation 21:1-4 and 1 John 3:1-3 say about the future of those who know Christ as their Savior and Lord?

Because I know that God promises eternity with Him through Jesus Christ, how does that affect my life today? What does 1 John 3:1-3 tell me? Why is the truth contained in 2 Peter 1:3-10 helpful as I look to live for the Lord? Why can't I do this in my own strength?

What can I praise God for today?
