

## TRUSTING GOD'S PLAN, PURPOSE, AND DESIGN

*"God..." Genesis 1:31-2:3*

From Sunday's message on April 21, 2024

What does Genesis 1:31-2:3 tell me about God?

What do the following verses tell me about "peace" and "rest?"

Psalm 91:1-4

Matthew 11:28-30

John 14:1-6

John 14:25-27

Right before Jesus died on the cross, he said, "It is finished." What is the significance of this statement?

How does Jesus bring peace and rest?

How was Jesus' sacrifice on the cross different from the sacrifices the priests offered previously (Hebrews 10:11-13)?

How does the Apostle Peter point out both God's sovereignty and man's responsibility in Acts 2:22-24?

In what ways have I seen God's goodness in my life?

How is Psalm 46 an encouragement to me?
