*“One Another” 1 John 4:7-12*  
From Sunday’s message on May 4, 2025

How does God’s love provide encouragement and challenge to love others?

Why is loving other believers so important?

What does Jesus say in Matthew 22:34-40 and how does Jesus take this to a higher level in John 13:34-35?

What challenge does the Apostle Paul give in 1 Thessalonians 3:12-13?

According to Galatians 6:7-10, to whom are we to do good and who are we seeking to please?

Why can’t I love the way we are challenged to do in 1 John 4 without God’s power?

How can I show God’s love to others? What will I do this week?
