Read through Psalm 136, taking note of all the things the Psalmist praises God for! Take time to create your own song/poem of praise by adding your own lines of God's faithfulness! This would be great to do at the dinner table with family! (Example: Praise God for the cross of Christ! His love endures forever! Praise God for bringing salvation to the Gentiles (me)! His love endures forever! Praise God for releasing me from the sin of _____, His love endures forever!)
