

TRUSTING GOD’S PLAN, PURPOSE, AND DESIGN

“God Remembered” Genesis 7:17-8:5

From Sunday’s message on July 13, 2025

How does Romans 5:1-8 clearly show that salvation is through the grace of God and not good works?

How did God provide the way for my sins to be forgiven and to live a life to the glory of God (see 2 Corinthian 5:11-21)?

What does Philippians 2:12-18 tell me about living for Christ?

In what ways does Genesis 7:17-8:5 show both the judgment of God and His grace and mercy?

Where do I see God’s judgment and His grace and mercy in the Old Testament and the New Testament?

How does 2 Peter 1:3-4 show that I can only live the Christian life by the grace of God?

Why am I thankful for God’s grace and mercy?
