

TRUSTING GOD'S PLAN, PURPOSE, AND DESIGN

"I Promise" Genesis 9:1-17

From Sunday's message on July 27, 2025

What are some things that stand out to me from Genesis 9:1-17?

What do the following passages tell me about God's blessing (Genesis 1:28; 2:2-3; 5:1-2; 9:1)?

What are some of God's blessings in my life?

What different things and what things are similar from the creation accounts in Genesis 1 and what God says in Genesis 9?

Every time I see a rainbow it should remind me of God's promises. What are some of God's other promises?

Here's a few to get you started: Hebrews 13:5; Romans 8:1; Matthew 28:16-20; John 10:25-30.
